Does submitting a pre-application mean I'm on the wait list? No. HPHA has adopted a lottery/random selection policy. Following the closing of the waitlist, HPHA will accept all qualified applications and randomly assign a position number to be placed on the applicable waitlist. The HPHA system will randomly select up to 500 applicants for each geographic area.

The public is reminded that there is **no charge to apply**. Applicants are encouraged to immediately report any individual or organization who attempts to charge a fee for completion of the application process. Applicants should not respond to any fraudulent requests for an application fee.
